DETAILED ACTION

Allowable Subject Matter

Claims 1-16 are allowed.

The following is an examiner's statement of reasons for allowance:

Prior art does not teach a method for isolating self-aligned contact pads of a semiconductor device and the semiconductor device including setting a relationship equation among the step difference between the first test pattern and the second test pattern before the chemical mechanical polishing process, the step difference between the first test pattern and the second test pattern after the chemical mechanical polishing process, and an extent of isolation of the self-aligned contact pads formed in the test semiconductor device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
